SPRS Access for New User with a PIEE account

To monitor your company data and scoring, including cyber*, you must have the “**Contractor/Vendor (Support Role)**” role for the SPRS application in PIEE.

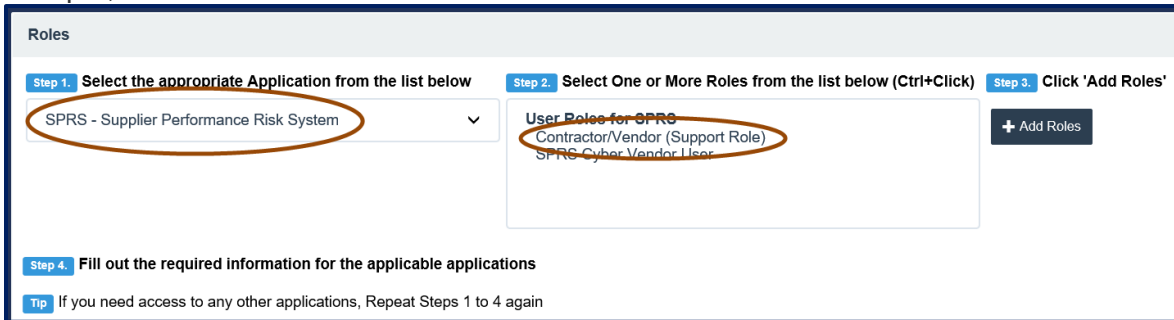

- Go to PIEE & [Login](#)
- Click “My Account” in the header then click “Add Additional Roles”

Screenshot current as of Oct 27, 2020

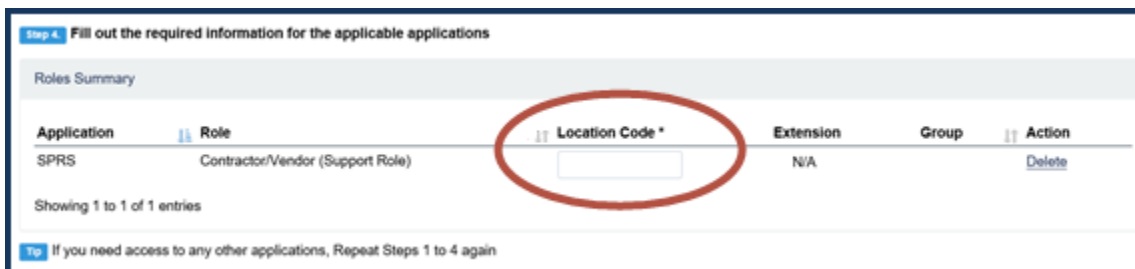

- Follow the prompts to confirm Supervisor information and arrive at “Roles”
- **Complete Roles –**

- Step 1, Select the SPRS application.
- Step 2, select the Contractor/Vendor role.
- Step 3, Add Roles

Screenshot current as of Oct 27, 2020

Step 4, Complete the Location Code using your Commercial and Government Entity (CAGE) code
NOTE: You may enter multiple CAGE codes by repeating Steps 1 - 4 for each CAGE code

Screenshot current as of Oct 27, 2020

- Follow the prompts to complete. Your request is reviewed and approved by the Contractor Account Administrator ([CAM](#)) associated with your CAGE, and the SPRS program office. The review process can take multiple business days. You can check the status by clicking “Manage Roles” in “My Account”. No CAM? [See PEE Getting Started Help](#).
- First time SPRS users will see a button for SPRS on the PEE landing page but it will not become active until your access has been approved.
- ***Please Note: NIST SP 800-171 score entry requires “SPRS Cyber Vendor User” role**
