Company Hierarchy Overview **NIST SP 800-171 Assessments** Criteria Search **Guidance**

- Resource material, tutorials, and guidance are available in the SPRS [Frequently Asked Questions](#).
- Highest-level owner (HLO) - The entity that owns or controls an immediate owner of the offeror, or that owns or controls one or more entities that control an immediate owner of the offeror. No entity owns or exercises control of the highest level owner. For additional information view [FAR 52.204-17 Ownership or Control of Offeror](#).
- Asterisk (*) - An Asterisk displayed next to the CAGE indicates that the user has a "SPRS Cyber Vendor User" role. If there is no asterisk then the user role type is "Contractor/Vendor" (view-only access to the CAGE and SPRS).
- A "SPRS Cyber Vendor User" role is a privileged role that provides access to the entire company hierarchy.
